ICCX West Africa 2023

For over 20 years CPI – Concrete Plant International, the leading trade journal for the concrete industry – has been providing concrete professionals worldwide with up-to-date technical information and news - from around the world. CPI was founded out of the need to address the opportunities and challenges of the globalization in the concrete industry.

As the demand for information and technology grew, CPI introduced ICCX conferences. The trademark of ICCX is a unique combination of conference and trade exhibition, covering all aspects of modern concrete production and technology. This format gives suppliers to the concrete industry the opportunity to meet face-to-face with decision makers in a technical setting.

ICCX West Africa will be the new meeting point for the concrete and precast industry. Located in Ghana that is considered to be the entry point for the English speaking countries in Western Africa the event will be organized on April 25-26, 2023. International machinery suppliers from all over the world will be present in the trade exhibition, and in parallel a technical conference will provide up-to-date knowledge for the concrete and precast industry.

Date April 25-26, 2023

Times* Exhibition 08:30 – 17:00 | 16:00
Conference 10:00 – 15:00 | 14:00

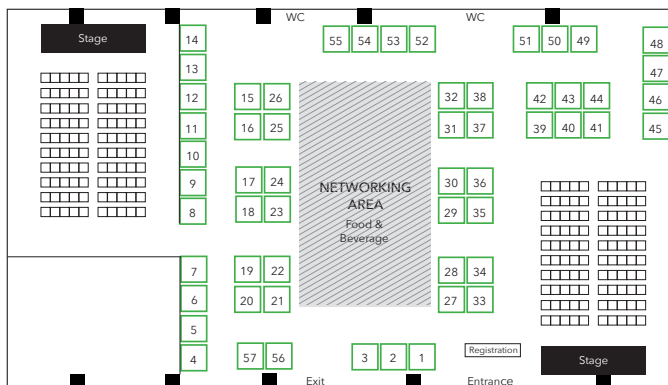

Participants 400+ concrete and construction industry professionals

Venue

Conference & Exhibition taking place in the Grand Arena

The Grand Arena in Accra, Ghana is an ultra modern multi-purpose hall, located downtown right next to the Accra International Conference Centre. 2.800 sqm fully carpeted, air conditioned, prestigious and highly secured with convenient car parking the Grand Arena is looking forward to hosting ICCX West Africa on April 25/26, 2023.

Floorplan

52 Booths
1 x Conference 100 pax and 3m stage
340qm Networking Area

Conference Program

The trade exhibition will be accompanied by scientific and practice-orientated technical lectures presented by national and international speakers. Conference language is English.

| 09:55 - 10:00 |  GHA | Mr. Daniel Krull
Welcoming Speech by the
German Ambassador in Ghana |
| 10:00 - 10:15 |  GHA | Ministry of Works & Housing
Inaugural Speech |
| 10:15 - 10:30 | | Ribbon Cutting Ceremony |

Opening Session

- | | | |
|---------------|---|---|
| 10:30 - 11:00 |  GHA | Akosua Akuffo-Ensa
Building infrastructure
with precast concrete |
| 11:00 - 11:30 |  USA | Dr. Charles Nmai
Concrete industry in West Africa
- challenges and opportunities
from an outside perspective |
| 11:30 - 11:45 |  NGR | Sebastian Barroso da Fonseca
German desk financial support and
solutions for Sub-Saharan Africa |

Precast technology and innovative concrete construction technologies

- | | | |
|---------------|---|--|
| 13:30 - 14:00 |  GER | Dr. Wolfram Schmidt
New cost-efficient and sustainable types
of concrete for West Africa |
| 14:00 - 14:30 |  NGR | Prof. Olonade Kolawole
Super-metropolis Nigeria - can trends
be derived for the construction industry
throughout west africa? |

14:30 – 15:00  UAE Mr. Laurent Grimmeissen
LC3-Cement: Chances for the construction industry in West Africa

26.04.2023 Concrete technology and building codes

09:50 – 10:00  GER Gerhard Breitschaft
Welcoming Speech on behalf of DIBt

10:00 – 10:30  GHA Prof. Alex Dodoo
Standardisation for precast concrete
– building tomorrow, today

10:30 – 11:00  GHA Dr. Mark Bediako
Precast construction in West Africa
– status quo

11:00 – 11:30  BEL Stef Maas
Precast concrete and standardisation

Concrete products and infrastructure

13:00 – 13:30  GHA Samuel Ofose
Enhancing the quality of concrete products and infrastructure using local admixtures

13:30 – 14:00  RSA Prof. Hans Beushausen
Durable precast concrete – a sustainable solution for infrastructure construction

ICCX West Africa 2023 Exhibitors

Alongside the exciting conference program, the ICCX West Africa will once again be able to offer an extensive trade exhibition with international suppliers to the concrete industry. Here too, the focus will be on the latest solutions and products.
